NEWSLETTER

October, 2021

TRICK OR TREATING

“Be it declared, that when Halloween falls on a Saturday or Sunday, Trick or Treating in the Town of Cudworth be conducted the previous Friday starting at 3:30 p.m. “

This motion was passed at the October 7, 2010 council meeting, this will remain in force and should it change, we will be sure to advise you.

Please adhere to the Provincial guidelines and let's keep everyone safe!!

2021/22 ARENA SEASON

Our arena is now operational and we wish the best of luck to all skaters! Kirk Medernach is returning as caretaker and Bonnie Hauber continues to lease the kitchen. Please spread the word that we have ice times available for out-of-town use. For bookings call Kirk at 306.717.3085. We have very competitive pricing for ice rentals

COMPOST PICKUP

Huge shoutout to all our citizens for following React's regulations for compost/tree collection – we completed our disposal without any extra costs. Keep up the good work!

SNOW REMOVAL

During the winter months we need to keep our streets clear of vehicles for snow removal purposes. Please keep vehicles not used daily off the streets so we can properly clear the snow when necessary. You are reminded not to place snow from driveways or sidewalks onto the streets. Also, we would appreciate your cooperation in moving your vehicle when you see the public works crew clearing your area.

BUSINESS AND PET LICENSES

We are alerting bylaw officials for the collection of licensing fees. To avoid dealing with the bylaw officers and possible fines, please come in and pay your 2021 fee as soon as possible.

DOG CONTROL

2021 has seen a dramatic increase to dog attacks both on other pets and people. Please ensure that you have control of your dog at all times and that it cannot leave your property without being restrained. All infractions will be reported to the R.C.M.P.

A Friendly and Progressive Community

WILD ANIMALS

The fall season always has wild animals on the move. Please eliminate all outdoor food sources such as produce from fruit trees and stop feeding pets outside.

Do not feed animals that are likely to become a problem for you or your neighbours, whether in your yard, the local park or other greenspaces. Wild animals should not depend on humans for their food, and should not learn to expect food from us. It could put them at risk of being hurt or killed, if they start approaching people aggressively in search of food.

TRAFFIC INFRACTIONS

We continue to have vehicles crossing the double line on Main Street to park on the other side. Subsequently, we have notified the R.C.M.P. to enforce this in order to avoid accidents and possible pedestrian injuries.

CUDWORTH CRAFT AND TRADESHOW

Mark your calendars for Sunday, November 21st for the annual show. Come out and support your local artisans and perhaps get an early start to your Christmas shopping and baking. Show hours are from 10:00 a.m. to 3:00 p.m. at the community hall. Concession available. Call Karla at 306.256.3492 to book a table.

COVID-19 Public Health Measures at the Craft Show

"All individuals, including patrons, volunteers, and vendors, will be subject to a proof of vaccine or negative test policy. The reasoning is that trade shows are deemed non-essential environments where members of the public gather. There are no medical, religious or other exemptions allowed to the vaccine policy. Those individuals who cannot provide proof of being fully vaccinated must pursue the option to provide a negative test from a certified healthcare provider. Masking must be followed in all indoor public areas – except when seated to eat or drink."
